

Tree Removal Agreement

COVID-19 UPDATE: At DTE Energy, the safety of our employees and customers remains our top priority. That's why we're working closely with medical experts to implement procedures that will keep our team members, and you, safe as we continue critical work to make sure you have the power you need.

DTE Energy has determined the tree noted below should be removed. The tree poses a serious hazard to power lines and safety. Our tree experts have determined that trimming the tree will damage its health and strength.

This is our final attempt to contact you

Please complete this form and attach it to your front door; our work crews will pick it up. Please contact the DTE Energy Representative below if you have questions.

Debris Policy

Small debris, such as leaves and small limbs, will be cleaned and removed. Larger pieces of wood will be cut to manageable lengths and piled on the property. Debris removal policies differ in the aftermath of a storm.

Property Owner

I, the undersigned, own the property described above and agree that DTE Energy, or its agent(s), may remove the previously-described tree(s). I have the right to agree to this removal for the property and I understand field crews will apply a growth inhibitor to prevent stump re-growth.
