

# COVID-19 Recycling Center Guidelines

DUE TO COVID-19, THERE ARE STRICT SAFETY RULES THAT MUST BE ADHERED TO, AND LONG WAIT TIMES ARE ANTICIPATED.

To ensure the safety of our volunteers & the public visiting Township facilities, we are taking the following COVID-19 precautions:

Follow these simple NO-CONTACT drop-off procedures when visiting Sumpter Township Recycling Center.

1. Residents should remain in their vehicles unless otherwise directed by volunteers.
2. Keep windows rolled up and have ID ready to show.
3. Face coverings required by volunteers and residents.
4. Items should be stored in the trunk of the vehicle, bed of truck, or in a trailer.
5. Volunteers will remove most items from vehicles. If staff can't maintain a safe physical distance while unloading your vehicle, residents may be asked to unload items themselves.
6. Package recyclables in a one-way container such as a cardboard box, paper bag or plastic bag that does not have to be returned to your vehicle. And place all items to be dropped off in the trunk of your car rather than the passenger compartment of your vehicle. Ensure it is clear what items are meant to be dropped off by limiting the other items in your trunk.
7. **NO TIRE RECYCLING AVAILABLE**
8. Volunteers have adjusted operations to include 6-ft physical distancing and enhanced cleaning/ disinfecting.
9. Safely exit the facility and have a great day. We thank you for recycling!

ANY RESIDENTS THAT DO NOT COMPLY WITH THE SAFETY RULES WILL BE TURNED AWAY - NO EXCEPTIONS. THIS IS FOR YOUR SAFETY AS WELL AS OUR STAFF'S SAFETY.
