

Recycling Center RULES

To ensure the safety of our volunteers & the public visiting Township facilities, we are taking the following precautions:

Follow these simple LIMITED-CONTACT drop-off procedures when visiting Sumpter Township Recycling Center.

1. Residents should remain in their vehicles until ID has been checked.
2. Volunteer will record license plate number.
3. Face coverings are **STRONGLY** recommended for the volunteers and residents.
4. Residents will be directed by the volunteer down a particular aisle to unload recyclable materials.
5. **ONLY** one (1) resident down an aisle at a time.
6. Volunteers will maintain a safe physical distance while residents are unloading their vehicle, unless residents' requests assistance.
7. **Residents MUST have exact change for tire disposal.**
8. Volunteers have adjusted operations to include 6-ft physical distancing and enhanced cleaning/disinfecting.
9. Safely exit the facility and have a great day. We thank you for recycling!
